

What is your city footprint really worth?

Prepared for Rob Sobey, CloudLink Solutions on 10/07/2026

Where you are now

Sydney - Western (Eastern Creek) · 8,000 m² at \$1,300/m²
Buildings and improvements: \$1,500,000 · Selling costs: 2.5%

Where you could go

Swan Hill VIC · 40,000 m² at \$90/m²
New facility: 6,000 m² at \$1,100/m² turnkey

Estimated net sale proceeds	\$11,602,500
Regional land cost	\$3,600,000
New facility build cost	\$6,600,000

Estimated capital left over	\$1,402,500
------------------------------------	--------------------

Something worth raising with your team: many owners are surprised how many staff would follow the business to regional Australia for the lifestyle. Affordable housing, short commutes and room for a family are a genuine drawcard, not a barrier.

Indicative estimates only, not a valuation. Excludes tax (including CGT and GST), stamp duty, relocation costs and financing. Entegra is not a licensed valuer or financial adviser. Obtain independent professional advice before making property or investment decisions.
